Taylor's Doors and Frames
20 Orchard Rd
BROOKVALE NSW 2100

Via email: petertdf@tpg.com.au

Attention: Peter Mole

Dear Peter,

Re: TRADE REFERENCE

We are a ceilings and partitions contractor based in Sydney, and at this current moment in time are servicing the following builders on a number of varying projects: ISIS Group Pty Ltd, IPM Constructions, ICHOR Constructions, KANE constructions, VAUGHANS Constructions, SCHIAVELLO, AMICUS Interiors, AKALAN constructions, ODYSSEY Interiors, AUSTRALAND and ERILYAN constructions.

X-clusive have utilized the services of Taylor's Doors & Frames for quite some time – with Taylor's providing the supply of Metal Door jambs (fire rated and standard), as well as doors (fire rated, non-fire rated solid core - both with and without vision panels as well as provisions made for various rebated hardware requirements).

Throughout our entire experience with Taylor's Doors & Frames, the service provided has continually been of an exemplary standard – with all orders being processed efficiently, and not only correct, but just as importantly, on time!!!

In all honesty, I cannot recall a time when our order has arrived either incorrect or not on time.

I would not hesitate to recommend Taylor's Doors & Frames to anyone, and should anyone require to speak to me directly, I would be more than happy for them to call me at any time on 0410 024 135.

Yours sincerely,

Daniel Bambic
